## بسم الله الرحمن الرحيم

O' soldier, I address to you a message from a faithful advisor, advising you about the status that you are in; you are in the rank of who is fighting the Sharia and its supporters in Zinjibar, Waqar, Shaqara, Al-Mahfid, Azzan, Lawdar and others.

In my advice I'll be honest in what I say, god forbid that I deceive you, since the one who deceives you is he who hurls you in a war that Allah nor His prophet has ordered, and hurls you in a war where your opponent is who rules with the law of Allah and supports the Sharia.

O' soldier, Allah has ordered us to be his soldiers and supporters, He said: *(O ye who believe! Be Allah's helpers, even as Jesus son of Mary said unto the disciples: Who are my helpers for Allah? They said: We are Allah's helpers. And a party of the Children of Israel believed, while a party disbelieved. Then We strengthened those who believed against their foe, and they became the uppermost)* 14 Surah As-Saff.

And Allah ordered us to obey His order and leave what he prohibited and follow the prophet in that, He said: *(And whatsoever the messenger giveth you, take it. And whatsoever he forbiddeth, abstain (from it). And keep your duty to Allah. Lo! Allah is stern in reprisal)* 7 Surah Al-Hashr.

Here ask yourself you soldier:

Are you from the supporters of Allah or from the supporters of who fight the Sharia of Allah?

And is the soldier under the banner of the democratic rule which means ruling of the humans to humans, is he from the supporters of Allah or it is the soldier who is under the banner of implementing the Sharia is from the supporters of Allah?

Is following the American Western democracy have been ordered by Allah or it is an obligation to disbelieve in democracy and refuse it, let alone to support it?

O' soldier, do you think that who fights with America or America fights next to him with its soldiers, training, management, financing, and with its shelling and spying warplanes and warships, is with the Sharia of Allah or he is with the Sharia of America fighting the Sharia of Allah?

**Ask yourself before you are killed and lose your Dunya and hereafter, or become captured and sigh on what you have done, or a killer of who implemented the Sharia of Allah and you will regret what you have done.**

**O' soldier, I know for sure that among you are those who deplore what is happening in Palestine from the dominance and occupation of the Jews, and the vulnerability and oppression of the Muslims, but it is much worst when you become one of the instigators of that! These Arabic governments weren't established except as a result of Western scheme to protect Israel under the pretext of "respect for the neighborliness and charters", and to achieve their purpose they established camps for oppressing the peoples revolting on the Israel occupation and its bad actions, and it has reached of them that they pushed you to pursuit and fight who wanted to fight Israel and America, or was intending to strike its interests in the region.**

**O' Soldier, until when will remain a reason for the existence of Israel and extermination of the Muslims of Palestine, and a reason for the imprisonment of Al-Aqsa and the religion and lose of the riches of the Muslims?**

**O' Soldier if you were annoyed by the continuous plundering of the petroleum and minerals which is portrayed in an illusory selling for a cheap price, so don't be a protector of these organized international thefts by your guarding of the petrol and gas pipelines or the Western petroleum installations in the land of the Muslims.**

**O' Soldier maybe you have realized that who pushed you in this war with America or remained quiet about your situation of supporting the Jahili laws isn't a sincere advisor for you, but rather the sincere advisor is who wants you to leave the hardship and tightness of the Dunya to the comfort and ease of the Jannah, and that cannot be except by the support of the Sharia of Allah and fighting the Sharia of America and its Jahili views that is belligerent to the Sharia of Allah.**

**O' Soldier, I in my message I want you to understand who Ansar Al-Sharia are, why they fight and what their goal is.**

**Ansar Al-Sharia are people who pledged to support the abandoned Sharia of Allah which is fought by secular Arab governments through its soldiers for the interest of the schemes of the West or East, and Taguti methodologies like secularism which is an egression from Islam, and the civil non-religious state which rule with no effect of Islam.**

Since that was the reality: Ansar Al-Sharia reminded the Muslims of their obligation towards their religion and occupied Ummah, and reminds them of what is going on from schemes of the West and East to obliterate the Islamic identity, plunder of the riches, and continuous occupation of the Muslim lands and displacement and annihilation of Ahli Sunnah.

For this and that Ansar Al-Sharia came out to make Dawah to the Muslims to implement the Sharia and defend it, and fought for that, and they are still on their path to liberate Palestine and all the lands of the Muslims.

That of course will not please America or its allies (*And the Jews will not be pleased with you, nor the Christians until you follow their religion*) 120 Surah Al-Baqara so those who followed their religion – the religion of America – like the government of the traitor Ali Saleh or the government of hypocrisy of the so called Awakenings or mercenaries of the Popular Committees, reassured to America and the West of defeating the Sharia of Allah in the locations which are ruled by the Sharia in large parts of Shabwa and Abyan and to fight them in anywhere they are present and are capable of doing so, they even used the efforts of some Islamic groups and their TV channels and efforts of the imams and speakers of the mosques, and heads of parties and mercenaries to participate with them in this war in order to have the largest number of participants to distort and fight Ansar Al-Sharia, and those forgot or pretended to forget that they were have pushed and driven them to a battle where they are fighting the Sharia of Allah, or at least to participate in a war led by the West to fight the religion in the name of the religion (*Have you not seen those who have changed Allah's favor for ungratefulness and made their people to alight into the abode of perdition*) 29 Surah Ibrahim.

O' Soldier, the goal of Ansar Al-Sharia is known from their name, their goal is establishing the Sharia of Allah which replaced with the Jahili earthly laws, since the constitution of Yemen was and is still un-Islamic, because it is consistent with the charters of the United Nations which is contrary to the Sharia of Allah, and today it is being drafted and prepared in France, so what good will our country gain when it is ruled by other than Allah and its constitution made by man?

O' Soldier isn't this the biggest treachery to the religion and country?

How were you deceived about the essence of this reality?

**How were they able to make from your blood a price for spreading and establishing their principles, laws and regulations that are contrary to the rule of Allah?**

**After that do you think if you were killed under their Jahili banner that is fighting the Sharia of Allah do you think that you will escape from the torment of Allah?**

**The one who from escapes from the torment of Allah is the one who is loyal to Allah and His messenger, and his loyalty is to the Quran and Sunnah, and disowns from the enemies of Allah and His messenger, and disowns from their Kufri methodologies and laws.**

**The one who escapes from the torment of Allah is the one who refuses the Jahili laws and American schemes and refuse the secular governments like the national accord government and others and sought to implement the Sharia and stopped fighting the supporters of the Sharia of Allah.**

**So O' soldier don't be from those who are being used to fight the Sharia of Allah or protects the Americans in their intelligence locations in Sana'a and Aden or in the Yemeni coasts and islands, or a reason for the American shelling of the soldiers of Al-Rahman who rule with the Sharia, or guide the American warplanes to the flaws of the Muslims to spy and shell it brutally, scarring the secure, and terrify the Muslims, and killing the Muwahidin children and women.**

**O' soldier don't be the oppressive assaulting hand with which the ruler oppresses, and the iron which the people are hit and broken with it, there is no fault on the people except that they seek to live free and proud not submitting to anyone except its creator.**

**And know O soldier that the ruler made you his thick stick which he strikes whom he wishes who left secularism, authority and oppression, and punishes badly the Muslim captives, and with it he crushes the revolutions demanding A-Sharia.**

**O' soldier your reality is that you aren't defending the Sharia or governance of Allah, and nor guarding it or the occupied lands of the Muslims, but rather you became the watchful eye of the secular ruler that guards his monarchy and laws that are contrary to the Sharia of Allah and rulings of Allah and is different to the methodology of the Quran, and you have become the on ground mover of the American warplanes movement that filled the sky of**

Yemen, and you even protected the locations of polytheism and Kufr and places of combatant Kuffar, like the polytheist institutions of the legislative and parliamentary councils, and locations of the Qarmatians and their graves, like guarding them in Haraz when they were performing the polytheist rituals.

They have turned you O soldier to a protector of the locations of Kufr like the recently built churches in the Arabian Peninsula, and locations of some of the cultural clubs that dare to insult the divine self, religion and our honest prophet, and a protector of the locations of who legitimize the prohibited, and locations of the combatants such as the embassies that its countries fight the Muslims in Afghanistan, Chechnya, Iraq and others, and the locations of the military operations, so they kept you guards on the doors of the American, British, German, French, Russian embassies and doors of the leaders of Kufr, they are the people who insulted our prophet peace and blessings of Allah be upon him and insulted our Quran and some of them participated in publishing of the abusive our cartoons of our prophet.

And O soldier became directly involved in shelling the homes of the Muslims, and raiding and persecuting the mujahidin to please America, and stood with the American crusade on the land of the Muslims, and a barrier and impediment in front of the establishment of the Islamic Khilafah and implementation of the Sharia of Allah, and a reason for the continuity of the Kufr and corruption of the secularism and democracy.

After all that O soldier can you ask yourself: For who are you working for, and will the fruit of your work will be a support for Palestine, or it will be used to guard and aid Israel and those who stood next to it from the Ring Countries.

O' soldier, didn't you ask yourself for whom sake are you fighting?

Are you fighting for the sake of Allah to preserve the religion and country or for the sake of removing the Sharia of Allah so you impose secularism and facilitate for the occupation?

*(Those who believe fight in the way of Allah, and those who disbelieve fight in the way of the Shaitan)* 76 Surah An-Nisa is fighting with the secularist government is from the fighting for the sake of Allah or it is fighting for the sake of the Tagut and a loyalty to Satan?

Thus we are fighting you according to the saying of the Almighty: *(Fight therefore against the friends of the Shaitan; surely the strategy of the Shaitan is weak)* 76 Surah An-Nisa and the saying of the Almighty: *(fight that which acts*

*wrongfully until it returns to Allah's command*) 9 Surah Al-Hujraat which means until it returns to His judgment and ruling, and that cannot be except with the rejection of the democracy and secularism methodologies, and leaving support of the American warplanes, disowning of the West and East schemes.

O' soldier, your reality is that you are a sect that refrain from adhering to the Sharia and implementing it, being loyal to the believers, and you even prevented the Muslims from that, and due to your reality the Fuqaha made fighting you obligatory.

Sheikh-ul-Islam Ibn Taymiyyah said when asked about fighting the Tartar soldiers: *"Every sect that refrained from adhering to the apparent laws of Islam from these people – the Tartar – or others should be fought until they abide to its laws even if they spoke the Shahada and were adherent to some of its laws as have Abu Bakr and the Sahabah – may Allah be pleased with them – fought those who withheld the Zakat and the Fuqaha have on this after them"*. End of quotation, from Majmu Al-Fatawa volume 28.

This is regarding who withheld the Zakat by force and fought over that, so how it would be for who fights as a proxy for America or fights next to it in one trench?

O' soldiers, your reality is that you are aggressors with the crusader enemy on the religion and soul, and the prophet peace and blessings of Allah be upon him said: *(Whoever is killed protecting his wealth is a martyr; and whoever is killed protecting his religion is a martyr; and whoever is killed protecting his life is a martyr; and whoever is killed protecting his family is a martyr)*. Narrated by Abu Daud and others.

And know O soldier that earning a living doesn't permit fighting the mujahidin, does anyone permit burning the Quran for the salary? Certainly no, so how do we permit because of earning a living to tear and fight the meanings of the Quran and its orders and prohibitions? The sustainer is Allah, and He has ordered us to earn living through legitimate ways, and the salary that you are receiving for your work in the army of secularism is a forbidden salary.

O' soldier don't be a plaything and sacrifice for the fatwas of some who lecture you, since some of those have given Fatwa to the soldiers of Ali Saleh to kill the soldiers of Ali Mohsen, on the other hand some gave Fatwas to their followers in Arhab, Taaz, Nahm, Al-Hayma and Al-Hasba to fight the Republican Guard and others and they are still giving Fatwas to the people of Arhab to fight the

**Republican Guard, these are giving Fatwas for the soldier to give another soldier and vice versa, and it is a fight for democracy, secularism and civil state, as they have permitted to you the blood of each other they are giving you Fatwas today to fight Ansar Al-Sharia with the American enemy, except of some who are excluded by the mercy of Allah, so how do you give yourselves to the false Fatwas who permitted you yesterday to fight each other?**

**O' soldiers, to this extent your feelings are sag and you became not knowing why are you fighting and who are you fighting and to whose interest is this fighting for, they even drove you like cattle to fight the Sharia of Allah in Abyan and beside you the American aerial and land snipers and naval rocket launchers and Saudi warplanes, and the battles of Dofas in Abyan are not far off from you, when more than five brigades came from you, and today ten brigades come from you all under the secularism of the West fighting the Sharia of Allah.**

**And what is even odder than all of this is that you don't wake up except when you see death or fall in captivity.**

**Finally, O soldiers we hope from Allah that you have realized the truth of the matter and conflict, and the dust and the curtains were uncovered about your unknown fate, and became aware from the intended goal of Ansar Al-Sharia.**

**And we ask the Almighty show you the Truth as Truth and help you follow it, and help you see falsehood as falsehood and help you avoid it.**
